### **Industry News**

#### **Mail Delivery to Chile:**

Following the earthquake on 27 February 2010, the Chilean Post announced that the Santiago exchange office is functioning as normal, and is able to receive international dispatches without any difficulties.

However, delays in the delivery of mail may occur in destinations in the center and South of Chile, namely: Region 7 (Maula), Region 8 (Biobio) and Region 9 (Araucaria). The Chilean Post is surveying the situation on the ground and will provide more detailed information as soon as it is possible.
